Hixburg

Hixburg, Nov. 30.- After Monday no more will a familiar figure drive serenely along on Route No. 1, and distribute mail from Pamplin.

Our postman, Mr. Frank Irving, will retire on December 1, after being a substitute for five years, and a regular carrier for 24 years. He will be missed, but remembered for the extra favors he did for those he served in his always cheerful manner.

Mr. Jim Taylor expressed the sentiments of those on the line when he said, "There can't be a better one."

On Thanksgiving, Miss Maggie Hix received a unique birthday present. At nine A. M., Mrs. William Hix announced that she would bring over a hot combined birthday and Thanksgiving dinner. Taken by surprise, it was a few minutes before Miss Hix could realize that she would sit in her own chair, at her own table and have a hot dinner brought in.

Thus it was that a three course meal with hot home-made rolls, was served.

To top it off, came a huge cake, and Jane Hix (age 4), who with gleaming eyes, sang "Happy Birthday", for Miss Maggie was 93 the next day. Miss Hix received many other gifts and a shower of cards.

Several deer were killed in this vicinity last week. Bradley Baldwin got a nine-pronged buck on Thanksgiving Day, and Capt. Covington and Clyde Dickerson each brought down one on Friday.

Mr. J. S. Hix, of Thomasville, N. C., spent Tuesday and Wednesday nights in the home of Mr. Willie Hix.

Mr. DeWitt Goin is somewhat better at this time.

Mr. Willie Hix was well enough to attend Sunday School at Elon Baptist Church on Sunday.

Mr. Ernest Carson was taken to Lynchburg General Hospital Monday, Nov. 23, for treatment.

From where I sit ... by Joe Marsh

Junior's Name was "MUD"

Red Jackson's seven-year-old, Junior, was passing by the local beauty parlor the other day. He looked in the window and saw a lady with one of those mud packs on her face.

Busting with curiosity, he walked in and asked her why she had all that stuff on. The lady was taken back for a moment but politely answered, "It's to make me look pretty."

When the beautician removed the mud pack, Junior took a close look at the lady and commented, "It didn't really work, did it?"

From where I sit, count on children to tell the truth—sometimes, the embarrassing truth. Maybe we adults could use more of that. For instance, maybe we ought to admit that tolerance "doesn't really work" until we eliminate all our intolerances—even to respecting a neighbor's right to enjoy a quiet glass of beer. Good neighborliness begins when intolerance ends... and, in truth, we all ought to work towards that end.

MR. J. A. MITCHELL WITH HIS WIFE AND JIMMY ARE MAKING A SUCCESS WITH...

Wirthmore Poultry Feeds

During the twelve years I have been in poultry business I have used most of the feeds sold in this area. Four years ago I put part of my birds on WIRTHMORE for a test, and soon after changed to WIRTHMORE 100%. This has done a better job for me than any of the others. The Appomattox Farmers Supply Company has given excellent service and I am proud to recommend them and WIRTHMORE FEEDS to anyone.
